Subject: Objectives Review

Paul and Leslie:

Thanks for your time yesterday.

As communicated, wanted to restate meeting objectives.

- 1. Obtain review/approval of LVMC current response to DOGM comments and revised POO, submitted in May 2008.
- 2. Clarify DOGM's July 11 2008 letter with a revision. LVMC is looking for an acknowledgement by DOGM that current mine disturbance is less than the 2007 forecast. Also looking for acknowledgement by DOGM that LVMC has pursued a bond reduction in response to actual disturbance.
- 3. Submit Bond Release Request for Dump C and Haul Roads

I've attached a replacement for the Bond Release figure.

I'll be sending a brief Powerpoint which documents 2007 forecasted/bonded disturbance vs actual disturbance in the next mail.
